

Books Donation Agreement

I completely agree that the library of National Human Rights Museum shall deal with these books I donated (as the Book Donation List) or include them in their library collection. I know the process is following their “*Books Donation Work Guideline*” and base on their research and education promotion needs. I also guarantee that the source of the donated books is legal and there is no infringement of the rights of others.

Donor	Name	
	E-Mail	
	Address	
	Volumes of donation (as the Book Donation List)	
Book donation processing	Do you want to have your name be known ?	
	<input type="checkbox"/> YES <input type="checkbox"/> NO (If you choose "No", your name in the donation list of the library will be anonymous)	
	Acknowledgement from National Human Rights Museum	
	<input type="checkbox"/> Electronic acknowledgement, email address <input type="checkbox"/> Not required
